

Chukwuemeka James Efienemokwu

Front end engineer, Web developer.

15, Alayo quarters
Ibafo, Ogun state.
08166843897
jefiene77@gmail.com

EXPERIENCE

Google Developers student club, Unilag/ Beginner cohort

SEPTEMBER 2020 - DECEMBER 2020

Google developer Students club is a platform that adds value to individuals by teaching them web technology based skills. During the beginner cohort at DSC, I was responsible for developing front end applications as part of the front end team, converting UI/IX Mockups to responsive and interactive web pages

Google Developers student club, Unilag/ Intermediate cohort

JANUARY 2021- PRESENT

Currently at the Developer Students club, I am able to consume REST API endpoints, while Utilizing FETCH API.

EDUCATION

UNIVERSITY OF LAGOS / Biochemistry, in view.

SEPTEMBER 2016- PRESENT.

Final year biochemistry student of the University of Lagos
